

FAQ's Portraits-Family Sessions

What outfits should we wear?

Wear any coordinating colors. Solids look best. A sample of good outfit ideas are white shirts and jeans, black shirts and jeans, white shirts and khaki's, any solid color shirt and jeans and khaki's. Just remember that you want your portrait to stand the test of time, so wear clothes that aren't too trendy and create that classic portrait look.

How long will it take to view our proofs?

All of your proofs will be available to be viewed online within (2) business days of your session. You will be able to log on to our website, view your images and purchase any prints you would like. This also allows other family members and friends to view them and purchase them as well.

Are pets allowed?

YES!! We are a pet friendly business and we welcome all four legged friends. Please bring your animal family members!

How many poses do I get to have?

We will shoot as many poses as needed. It all depends on the subject(s). We do not limit poses. We want to guarantee that you get a great image and there is no limit on that!
