

## **Wedding Day-FAQ's**

### **What time do the photographers meet the bride?**

Your photographer will meet the bride an hour and a half before the ceremony starts.

### **What is the time limit for the photographer on my wedding day?**

There is no time limit. Our photographers will be with the bride an hour and a half before the ceremony, until the end of the reception.

### **Do we get copyright to the images from our wedding?**

Our images are copyright protected. However, we can produce a slideshow presentation of all images with music that is available for purchase. This disk can be viewed on a TV or computer monitor. These images are not for downloading or printing purposes.
